

Experlogix CPQ

Portal Edition for Microsoft Dynamics 365

THE #1 CPQ (CONFIGURE, PRICE, QUOTE) SOLUTION

Quote it Fast. Sell it Right.

Since 2005, our goal has been to provide the absolute best CPQ experience for Dynamics users by delivering a solution with enterprise-class integration to Dynamics 365 for organizations that sell varieties of products and services.

Experlogix CPQ Portal Edition enables you to expand sales to the web by providing the power of Experlogix CPQ within a web portal to help customers, prospects and dealers configure custom products and services to meet their unique needs. Experlogix CPQ Portal Edition provides unassisted quote and order entry to improve pipeline visibility, increase customer satisfaction and grow your business.

Integrated Product and Service Configuration Across Sales Channels

Experlogix CPQ Portal Edition enables companies to expand their sales to the web by providing the power of the Experlogix Configurator within a portal to help customers, channel partners and prospects to configure custom products and services to meet their unique needs.

Guided Selling Via the Web

Experlogix CPQ Portal Edition users can configure custom products and services that meet their unique needs. Experlogix guides the online user via color-coded displays and pop-up messages. It even makes suggestions and fixes problems – all according to rules that you have defined.

Deploy a Single Configurator Across All Sales Channels

Experlogix CPQ Portal Edition ensures model consistency across the enterprise by supporting all sales channels from a single, centrally managed system.

Display Product Images, Links to Brochures

Easily display product images and add links to download product brochures and spec sheets.

Seamless Microsoft Dynamics Integration

Quotes and orders generated by Experlogix Portal Edition create corresponding records in Microsoft Dynamics 365.

“With our improved data integrity, we have better knowledge of what each of our dealer or sales reps are selling (or not selling).”

Mike Vassil
*Director of Operations,
Okuma*

“The quoting time for configuring doors at our dealers has gone from one or two days to just a few minutes and has helped us increase our sales win rates.”

Robert Scott
*VP of Engineering,
Martin Door*
